

# Native American Water Master's Association (NAWMA) Eastern Arizona Drinking Water Operator Workshop

January 29-30, 2025 • Pinetop, AZ

The purpose of NAWMA meetings is to provide a forum to discuss evolving drinking water regulations, technologies, and issues facing tribal water utilities.

These meetings support local tribal water operators by providing relevant changing information and contact hours needed to maintain drinking water certification as well as allowing for networking with regional and local operators. NAWMA sessions occur regularly throughout the year and are coordinated by local RCAC technical assistance providers.

#### **Operator topics for Day One include:**

- Service line inventory educational awareness
- Monitoring schedules
- Chlorine residual testing
- Operation and maintenance planning

#### **Operator Topics for Day Two include:**

- PFAS rule and testing
- Sanitary survey preparation
- Valve exercising program
- Operator math

These topics will allow tribal operators to maintain compliance with safe drinking water regulations and provide safe water to their communities.

6 Arizona Professional Development Hours awarded for each full day of attendance.
