

# Drinking Water Boot Camp Las Vegas

March 4, 2025 • Las Vegas, NV

In the arid Southwest, there will always be a need for new drinking water operators to take care of our most precious resource. The focus of this workshop is to develop the next generation of water operators with an intensive review of the latest need-to-know criteria. This in-person, free event will help to prepare to take the level 1 distribution operator certification exam.

### **Operator certification test preparation topics covered:**

- Distribution system components
- Equipment installation
- Operation and maintenance
- Disinfection monitoring
- Evaluation
- Adjustment and lab analysis
- Security
- Safety
- Administrative procedures and much more!

*6 Nevada Drinking Water Contact Hours are awarded for attending.*
