The Next NAWMA Training Meeting

Announcing the next gathering of the Native American Water Master's Association (NAWMA) funded by US EPA Region 9. The purpose of NAWMA training meetings is to provide a forum to discuss evolving drinking water regulations, technologies and issues facing tribal water utilities.

The meeting supports local tribal water operators by providing contact hours needed to maintain drinking water certification and allows for networking with local operators. NAWMA sessions occur on a regular basis throughout the year and are coordinated by RCAC technical assistance providers.

AGENDA ITEMS:

- Welcome and Introductions
- USEPA Region 9 Regulations Update
 - PFAS
 - Annual Monitoring
- Preparing for your Sanitary Survey
 - Key deficiencies to look for
- RTCR Refresher
 - How to respond to a positive total coliform sample result
 - Conducting a Level 1 Assessment
- Monitoring Waivers
 - Walking through the process

This training is eligible for 4 continuing education contact hours

Morning snacks and lunch will be provided courtesy of Morongo Band of Mission Indians
