

AIS & BABA for Water & Wastewater Infrastructure Projects

December 18, 2024 • Online

Got a federally funded water or wastewater project? Learn about your American Iron and Steel (AIS) and Build America, Buy America (BABA) responsibilities!

The objective of this workshop is to learn to navigate the AIS and BABA requirements for federally funded water and wastewater treatment construction projects.

Participants will learn:

- How to determine their requirements
- How to document compliance
- How to submit waivers

We will also discuss AIS/BABA project management and effective communication with engineers and contactors.

0.2 Alaska Drinking Water or Wastewater Continuing Education Units Certificates will be available through your profile.

When: December 18, 2024 • 10:00 a.m.–12:30 p.m. (Alaska Time)

Where: This training will be hosted online on GoToTraining.
