

Choose Your Own Adventure Route 66

June 18, 2024 • Online for Arizona

Traveling route 66 or the mother road is a unique experience that can take you to many different locations and tell many different stories. The water industry is like route 66 where there are many paths and topics to explore. Join this unique interactive online training opportunity that will allow attendees to explore different operator topics based on the collective choices of the group.

Topics may include:

- Water use and system design
- Water main installation and rehabilitation
- Backfilling
- Main testing and installation
- Water storage
- Pumps and motors
- Public relations and much more

Accreditation: 4 Arizona Professional Development Hours
